THE DIVINE CONSPIRACY

Chapter 3 - What Jesus Knew:

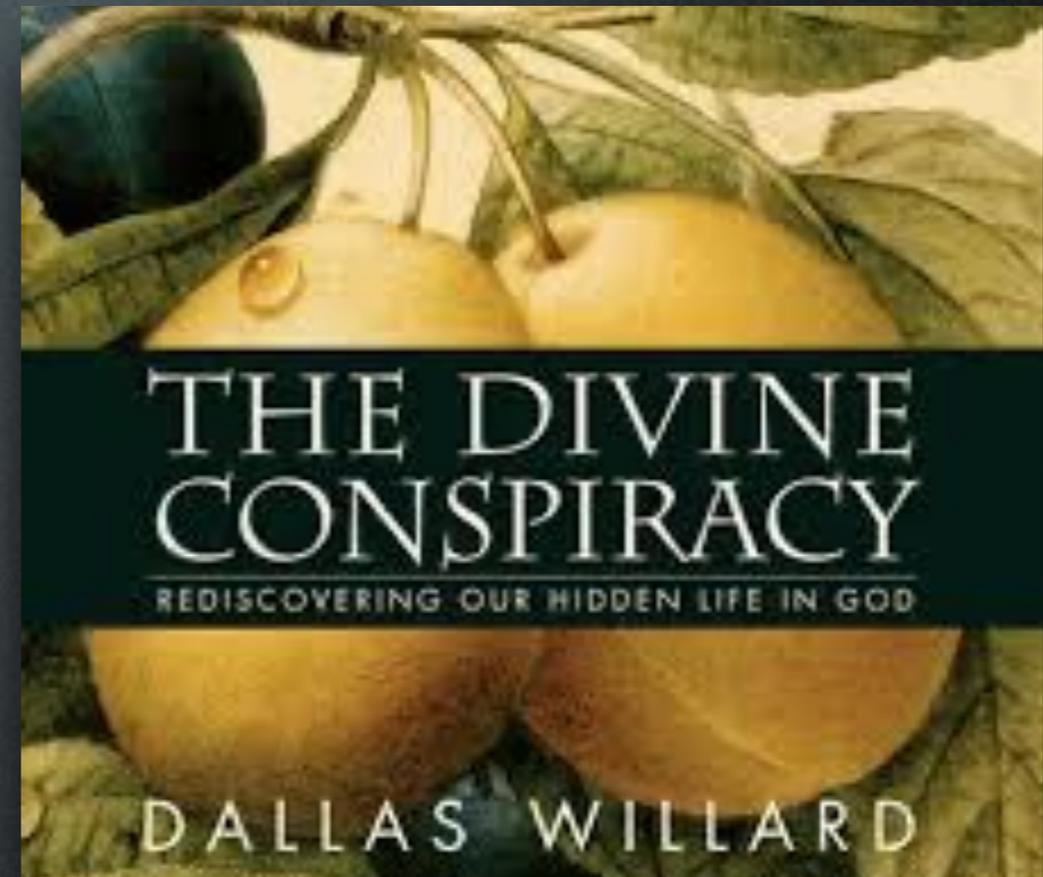

Our God Bathed World

Session 9 - *“Jesus, The Master Intellect”*

Session 8 Review

The grand inversion occurs when we learn by God's grace as disciples of Jesus to live - to exercise our will - in the presence of the Kingdom among us, without ceasing, now and forever.

THE DIVINE CONSPIRACY

Session 9 - “Jesus, The Master Intellect”

Those who profess Christ...may have faith in faith, but little faith in God. They may believe in believing but not be able to rely on God - like many who love love but are unable to love real people. Many people who believe in Jesus do not actually believe God. (91)

~ ~ ~

Why is it so often we hear, “*My faith got me through*”, or “*He/She is a man/woman of faith*”, but rarely do we hear, “*My faith in Jesus*”, and never, “*Jesus and God’s Kingdom got me through.*”

The Growing Wave of Unfaith

The 19th Century saw a bitter intellectual struggle in the centers of learning of the Western world, in which the long-accepted outlook of Jesus lost its standing as an intellectual option.

...ideas & attitudes simply irrelevant to reality.

It even forces Christian teachers to set aside Jesus' plain statements about the reality and total relevance of the Kingdom and replace them with philosophical speculations of a "modern" mindset.

(92)

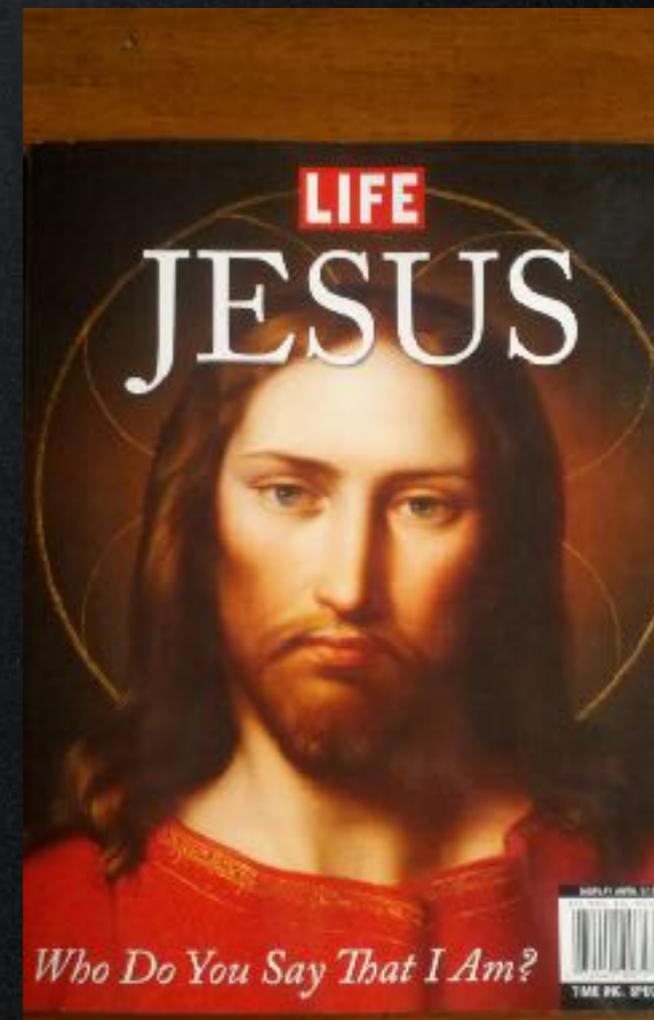

Jesus...the Smartest Man in the World

The baseless presumption in question — *reality in the manner of Jesus is simply foolish* — must be seen for the empty prejudice it is if we are to enroll with serious intent in Jesus' school of life.

Nothing fundamental has changed in our knowledge of ultimate reality and the human self since the time of Jesus. (93)

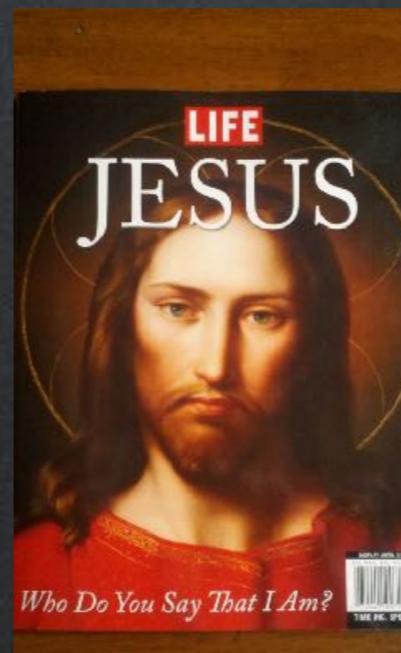

It's not that Jesus has been proven wrong.

Jesus...the Smartest Man in the World

Our commitment to Jesus can stand on no other foundation than a recognition that He is the one who knows the truth about our lives and our universe.

It is not possible to trust Jesus in matters where we do not believe Him to be competent. (94)

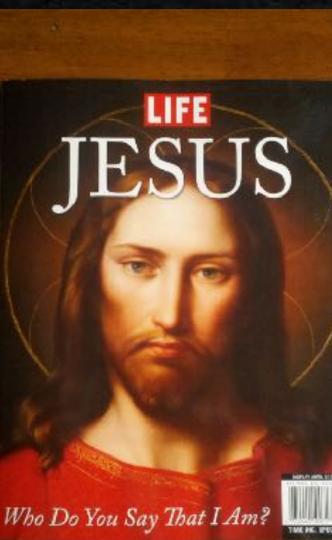

FLASHBACK

“The Case of the Missing Teacher” (Session 6)

The disappearance of Jesus as teacher explains why today in Christian churches little effort is made to teach people to do what He did and taught.

We do not seriously consider Jesus as our teacher on how to live, hence we can not think of ourselves, in our moment-to-moment existence, as His students or disciples.

(57)

FLASHFORWARD

“The Case of the Missing Teacher” (Session 27)

Jesus, the actual teacher of His people, has disappeared from the mental horizons of our faith. In that capacity He is not a part of how we ‘do’ our Christianity today... face this fact of the absence of Jesus the teacher and change it.

THE DIVINE CONSPIRACY

Session 9 - “Jesus, The Master Intellect”

Can we seriously imagine that Jesus could be Lord if He were not smart?

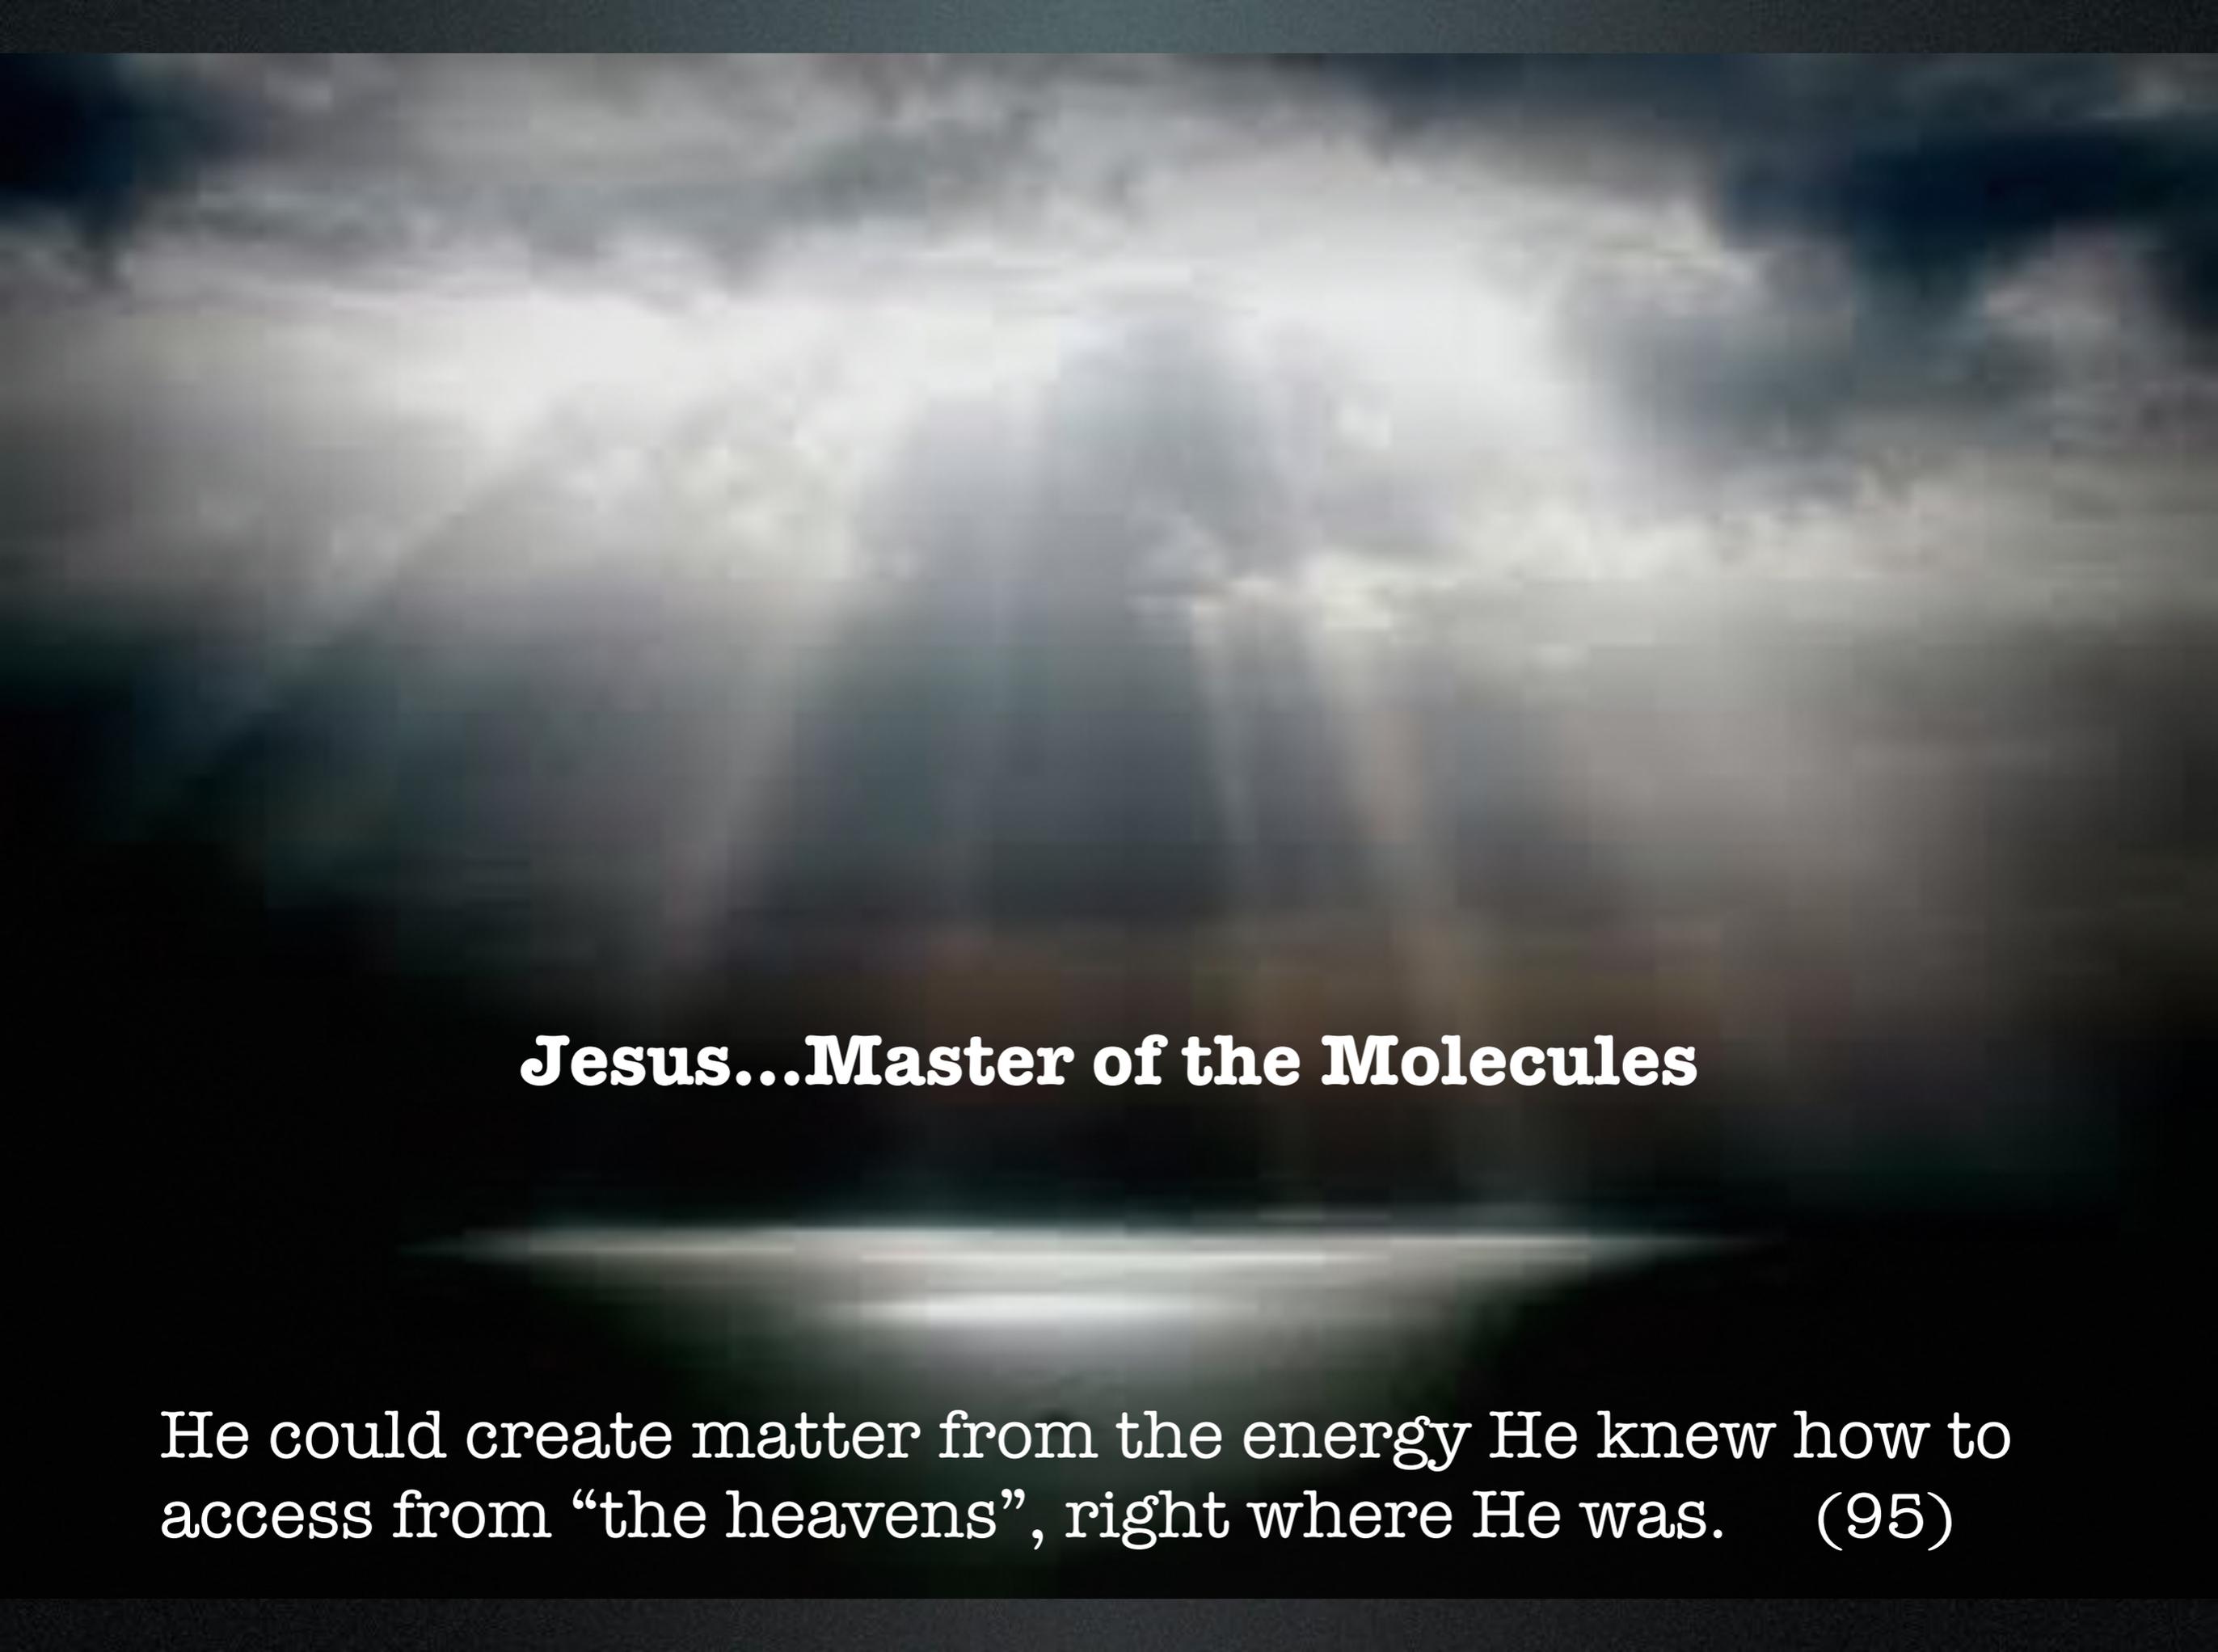

How could He be what we take Him to be in all other respects and not be the best-informed and most intelligent person of all, the smartest person in the world?

(94)

He is the image of the invisible God, the firstborn of all creation; for in him all things in heaven and on earth were created, things visible and invisible, whether thrones or dominions or rulers or powers — all things have been created through him and for him. He himself is before all things, and in him all things hold together. Colossians 1:15-17

The riches of assured understanding and...the knowledge of God's mystery, that is, Christ himself, in whom are hidden all the treasures of wisdom and knowledge. Colossians 2:2-3

Jesus...Master of the Molecules

He could create matter from the energy He knew how to access from “the heavens”, right where He was. (95)

He is the master because He is the maestro. “Jesus is Lord” can mean little in practice for anyone who has to hesitate before saying, “Jesus is smart.”

Jesus is not just nice, He is brilliant. He is the smartest man who ever lived. He is now supervising the entire course of world history (Rev. 1:5) while simultaneously preparing the rest of the universe for our future role in it (John 14:2). (95)
