RENOVATION OF THE HEART

Session 8 - Transforming the Will & Character - Chapter

By this point we are beginning to get a glimpse of what those renovated in Christlikeness look like:

- THOUGHTS: A thought life centered on God in His goodness and greatness = on Truth
- FEELINGS: A rich array of positive feelings that naturally accompany love, joy and peace, along with their foundational conditions of faith and hope.

But such conditions are NOT produced without massive changes in our other dimensions!

How the Mind Depends Upon the Will

CHARACTER - The internal, overall structure of the self that is revealed by our long-run patterns of behavior and from which our actions more or less automatically arise.

- Credit Reports • Resumés • Letters of Reference

“Will” alone can not carry us to change.

But “will” implemented through changing my thoughts and feelings can change a kind of person.

Our Will & God's Will

"I always do things that are pleasing to Him."

Jesus of Nazareth, John 8:29

Is this what a Christlike transformed will looks like?

This outcome becomes our character - our governing response of every dimension of our being.

2021::147

2002::143

The Will

My will - comes from nothing else but me!

- The ability to originate.
- Who we are as individuals.
- The core of our non-physical being.
- To select what we will think on.
- The Executive Center of the human self (Ch. 2, 24 / 30)
- Our "*consents and non-consents*" William James

My Will is NOT the same as my Character.

Character is what we feel and do without thinking.

The Will and Human Dignity

Why is God not more obvious?

Why is God divinely conspiratorial?

Human Dignity — Freely chosen character.

The power of Choice!

But, the good is not automatic.

The human will is not only precious, it is a problem.

The Splintered Will

Manipulation - Deception - Seduction - Malice

“Freedom emerged in the forms of arbitrary — perhaps totally irrational — decision and action.”

Theology & Anthropology — God & Humans

God permits there to be a world such as we live in, where the wills of human beings are often set on what is ever, wrong, or foolish and where even good and wise inclinations are frequently defeated by other components of the persons involved:

“the sin in our members”. Romans 7:23

A person (or society) may be baffled and torn by the chaos and evil it finds within itself — as is the “modern liberal” person and society of today.

- Duplicity • Deceitfulness • Darkness •

• **Duplicity** • **Deceitfulness** • **Darkness** •

Desire → PRIDE ← Fear

We conceal and pretend leading to...
deeper deception & darkness leading to...
taking charge of our life and world.

The heart is deceitful above all things and beyond cure.

Who can understand it?

“I the Lord search the heart and examine the mind,
to reward each person according to their conduct,
according to what their deeds deserve.”

Jeremiah 17:9-10

2002::147-148

God Hears the Heart

The Heart (Will, Spirit) is precisely what God observes and addresses in human beings - who we are; who we choose and have chosen to be.

What God wants can only come from there.

He seeks godly character in us and for us to fulfill the eternal destiny He has in mind for us.

“Everyone who calls on the name of the Lord will be saved.”

Romans 10:13

The Path of the Surrendered Will

One thing!

Unentangled from the spiritual inertia of untamed desire.

“In our fallen world, very few people live with a focused will.” Dallas

“PURITY OF HEART IS TO WILL ONE THING.” SOREN KIERKEGAARD

“Seek first the Kingdom of God.” Jesus of Nazareth

2002::152

Getting Unentangled

Let us firmly decide to do that...

To never mislead people, never to do or say things merely to cause pain or harm.

Let us decide that today, right now.

Lying and malice are foundational sins.

We discover that it is no simple task. Spiritual formation cannot be a matter of just changing the will.

The Role of Spiritual Disciplines

To make room for the Word and the Spirit to cause the duplicity and malice and destructive feelings — normally clothed in layer upon layer of self-deception and rationalization — to surface to be dealt with.

Δ3 Disciplines of Disengagement (Retreat)

solitude, silence, fasting, frugality,
chastity, secrecy, sacrifice, watching

Δ3 Disciplines of Engagement (Advance)

prayer, study, meditation, memorization, worship,
celebration, service, fellowship, confession, submission,
simplicity, obedience, generosity, giving, guidance, pilgrimage

Getting Unentangled thru Spiritual Disciplines

“Our extreme busyness may be revealed as inability to trust God or unwillingness to give others a chance to contribute.”

Dallas Willard

The Sweet Will of God

*“Let us fix our eyes on Jesus,
the pioneer and perfecter of our faith.” Hebrews 12:2*

For the first time we have a will that is fully
functioning, not at war with itself.

We have a clear indentity in the eternal Kingdom of
God – an eternity embedded in our own life and in the
lives of those near us.

Q&A

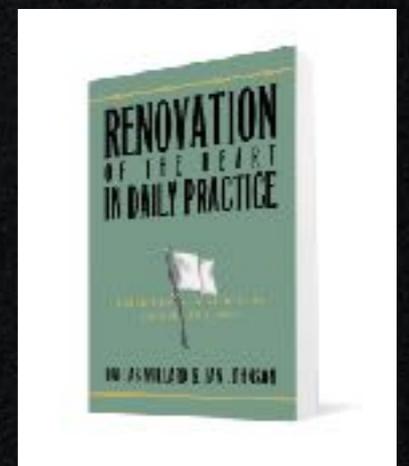

Disciplines create space for the retraining of our thoughts, feelings and will.

We see ourselves as we truly are, and the games of duplicity are over.

Session 8 Summary

Transforming the will (heart, spirit) and character is also the task of spiritual formation. Thoughts and feelings depend upon the will (choices), and the will depends upon the contents of the mind (thoughts, feelings). They are an interlocking whole.

By God's grace and our decision, we can see our will grow into godly character.
