## THE DIVINE CONSPIRACY

### Session 26 - "Helping Others Find Their Way Into Discipleship"

Clearly thought out and decisive apprenticeship to Jesus is the bridge between initial faith in Him and the life of obedience and fulfillment in His Kingdom.

(299)

First, Be Disciples

Next, Intend to Make Disciples

Thirdly, Change People's Real Beliefs

## **First...Be Disciples**

If we would make disciples, we should be disciples. (299)

**FLASHBACK: Session 24**

*I am learning how to live my life as  
He would live my life if He were I.\**

My actual life is the focus of my apprenticeship to Jesus. I am learning from Jesus how to lead my life, my whole life, my real life. (283)

\* (283, 284, 285, 291)

## **Be Disciples** (continued)

We learn from Jesus how to make disciples as He did. (300)

### **Threefold Ministry of Jesus...with Joy!**

Proclaiming, Manifesting & Teaching

(300...16, 99, 288-290, 305)

Non discipleship is the elephant in the church. The fundamental negative reality among Christian believers now is their failure to be constantly learning how to live their lives in The Kingdom Among Us. (301)

## **Next...Intending to Make Disciples**

To bring others to the point where they are daily learning from Jesus how to live their actual lives as He would live them if He were they. (302)

Consumer Christianity stands against any intention. (302)

Non disciple Christians. (303)

A pervasive intention to make disciples would radically change the church. (304)

## **Thirdly...Changing People's Real Beliefs**

You lead people to become disciples of Jesus by ravishing them with a vision of life in the Kingdom of the Heavens in the fellowship of Jesus. And you do this by proclaiming, manifesting and teaching the Kingdom to them in the manner learned from Jesus himself. You thereby change the belief system that governs their lives.

(305)

## FLASHBACK: Session 1

### **THE CONFUSION — Life in the Dark**

There is now no recognized moral knowledge upon which projects of fostering moral development could be based. (3)

The mantle of intellectual meaninglessness shrouds every aspect of our common life. (9)

“Our profound upside-down-ness”

## Changing People's Real Beliefs (continued)

To enable people to become disciples we must change whatever it is in their actual belief system that bars confidence in Jesus as Master of the universe. (307)

What has to be done...be honest about what we and others really believe. (308)

Our beliefs are the rails upon which our life runs. (309)

*If you want to know whether you truly believe in God, you have to ask yourself what you really trust.*

*“Faith and Reason” Chapter 4, p. 62*

## **The Only Way Forward**

If we cannot break through to a new vision of faith and discipleship, the real significance and power of the gospel of the Kingdom of God can never come into its own. The church will remain in the dead embrace of consumer Christianity.

Is the life we live the same that entered the world with Jesus and produced the historical church and the Christian form of civilization? (309-310)

## **The Course Vision**

To provide a fresh hearing of Jesus for you to learn how to live your life as Jesus would live your life if He were you

## **The Course Intention**

- \* Ravish you with Life in the Kingdom of God
- \* Provide a Course of Study and Practice for Apprentices to Jesus in the Kingdom Among Us

## **The Course Means**

- \* Enthrall Your Mind with God
- \* Practice Habits of Goodness

The purposes of God will eventually be realized.  
The divine conspiracy will not be defeated.
